Swacha Bharat Abhiyan

Report

Date: 4th October 2024

Location: Pimpri Chinchwad College of Arts, Commerce and Science, Ravet, Pune 412101

Introduction:

The Swachh Bharat Abhiyan, or Clean India Mission, is a crucial national initiative aimed at improving cleanliness and sanitation throughout India. Launched by Prime Minister Narendra Modi on October 2, 2014, the campaign honors Mahatma Gandhi's vision of a clean and healthy India. In line with this mission, Pimpri Chinchwad College of Arts, Commerce and Science celebrated the Swachh Bharat Abhiyan on October 4, 2024.

Aim of the Drive

The college organized a comprehensive cleanliness drive to foster awareness about the importance of cleanliness and to inspire collective action among students, faculty, and staff.

Details of the Drive

The day began early with enthusiastic participation from students, faculty members, and our Principal, who all gathered at a designated meeting point. Each participant was equipped with cleaning supplies, including gloves, garbage bags, brooms, and dustpans, ensuring a safe and effective cleaning process.

By the end of the day, the campus had undergone a noticeable transformation. Participants gathered for a brief reflection session to share their experiences and discuss the impact of their collective efforts. The Principal commended the hard work of all involved and emphasized the need for ongoing commitment to cleanliness.

This event not only enhanced the physical environment of the college but also reinforced the values of teamwork and community responsibility. The celebration of the Swachh Bharat Abhiyan was a resounding success and a meaningful contribution to our campus culture.
