Pimpri Chinchwad College of Arts, Commerce & Science organized a special session on **Competitive Exams Preparation and Personality Development** on **6th February 2026** at **9:30 AM** in the **PCCOER Auditorium, 6th Floor**.

The objective of the session was to guide students in preparing effectively for various competitive examinations and to enhance their overall personality traits required for academic and professional success. The program witnessed enthusiastic participation from students across different streams.

The resource person provided valuable insights into strategies for cracking competitive exams, including time management techniques, smart study planning, syllabus analysis, and the importance of regular practice and mock tests. Students were also guided on career opportunities through competitive examinations and how to stay motivated during preparation.

The second part of the session focused on personality development. Topics such as confidence building, effective communication skills, body language, goal setting, and stress management were discussed in detail. Interactive activities and practical examples made the session engaging and impactful. Students actively participated by asking questions and sharing their experiences.

The session proved to be highly informative and inspiring. It helped students understand the importance of disciplined preparation along with personal growth. Overall, the program was successful in equipping students with the right direction and motivation for their future careers.
