## Report on Soft skill Workshop

A workshop on soft skills was conducted on 12th August 2025 at Pimpri Chinchwad College of Arts, Commerce and Science, Ravet. The session was led by Ms. Sonal Vaidya, a well-known psychologist and career counsellor. The workshop aimed to enhance the interpersonal, communication, and professional skills of the students, preparing them for future career opportunities and personal development. Ms. Vaidya spoke about the importance of soft skills in today's competitive environment, highlighting how qualities like effective communication, emotional intelligence, teamwork, and confidence play a crucial role alongside academic knowledge. Through interactive discussions, real-life examples, and engaging activities, she encouraged students to reflect on their own behaviour and develop strategies to improve their self-awareness and professional conduct. The session was highly appreciated by all participants for its practical insights and motivational approach. It concluded with a round of questions and answers, where Ms. Vaidya addressed individual concerns and shared valuable advice. The workshop proved to be an enriching experience, leaving students better equipped to handle challenges in both academic and professional settings.
