REPORT ON SESSION CONDUCTED FOR AVISHKAR 2025

On 12th September 2025 session on Avishkar was conducted in the campus of PCACS, Ravet. The primary aim of the session was to create awareness among students about **Avishkar 2025**, the research and innovation competition initiated by the Government of Maharashtra. The session focused on guiding students regarding participation, project ideation, poster presentation, and overall process.

The session began with a brief introduction to **Avishkar**, its vision, and how it encourages innovation and research among students across various disciplines.

Students were informed about the **different categories and levels** of the competition. The session conducted for Discussion on **idea generation techniques** and how students can identify problems and create innovative solutions. Guidance was provided on preparing and presenting **research projects** and **posters** as per Avishkar guidelines. Faculty shared insights on **previous successful entries** and the **evaluation criteria** used at different levels of the competition. A Q&A session was held where students clarified their doubts regarding project selection, team formation, and documentation.

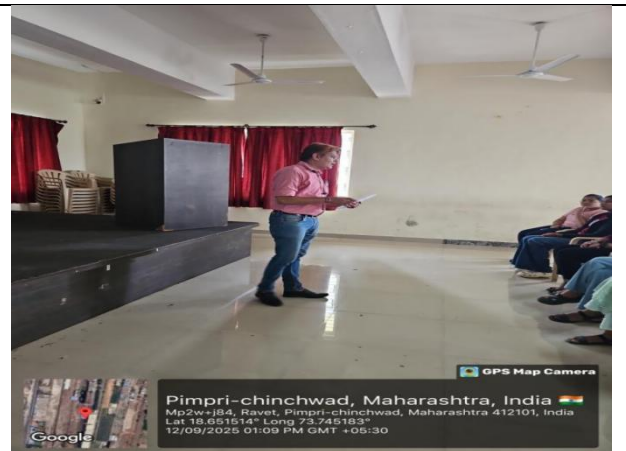

The session successfully sparked interest among students to participate in Avishkar 2025. Several students showed initiative and discussed potential project ideas with faculty. A follow-up session and internal screening round are planned to shortlist projects for college-level participation.

The awareness session on Avishkar 2025 served as a productive platform for encouraging student research and innovation at PCACS, Ravet. The faculty motivated the students to actively participate and take advantage of this opportunity to showcase their talents on a larger platform.
