## REPORT ON VISIT TO SPPU AND PUNE BOOK FESTIVAL

A field visit was successfully conducted by **Pimpri Chinchwad Arts, Commerce and Science College (PCACS), Ravet** for the students of **First Year and Second Year Arts and Commerce** on **19 December 2025**. The visit was organized with the objective of providing practical exposure, academic enrichment, and cultural awareness beyond classroom learning. The venues selected for the visit were **Savitribai Phule Pune University (SPPU)** and the **Pune Book Festival held at Fergusson College**, both of which are significant academic and cultural landmarks in Pune.

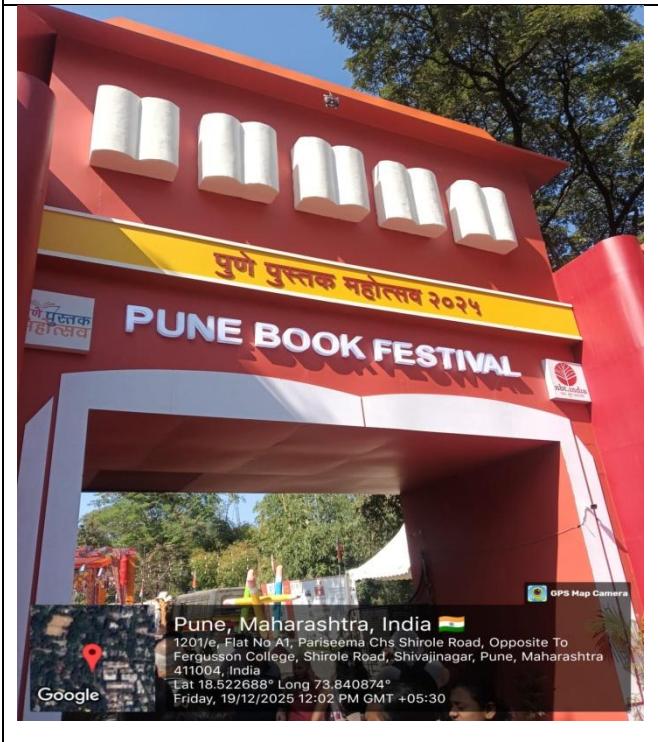

The visit began early in the morning with students assembling at the PCACS campus and proceeding to Savitribai Phule Pune University. At SPPU, students were introduced to the university's academic environment, administrative structure, historic buildings, libraries, and examination system and departments. The visit helped students understand the role of the university in higher education, research, and curriculum development. Interaction with faculty members and observation of the campus facilities enhanced students' knowledge about opportunities available in higher education.

After the university visit, students attended the Pune Book Festival at Fergusson College, where they were exposed to a wide range of books related to literature, commerce, economics, social sciences, and general knowledge. The visit encouraged students to develop reading habits and understand the importance of books in academic and personal growth. Overall, the field visit proved to be educational and enriching, helping students connect classroom learning with real-world experiences. The visit was well organized, discipline was maintained, and the objectives of the field visit were successfully achieved.
