REPORT ON GANPATI IDOL MAKING COMPETITION

As the festive season approaches and the chant of “*Ganpati Bappa Morya!*” fills the air, **PCACS College, Ravet** took a meaningful step toward tradition with a twist of sustainability. On **22nd August 2025**, the campus buzzed with creativity and devotion during the **Ganpati Idol Making Competition**, where students transformed lumps of clay into divine expressions of Lord Ganesha.

The competition aimed to:

- ❖ Encourage traditional Indian art and culture.
- ❖ Raise awareness about the environmental impact of non-biodegradable idols
- ❖ Promote the use of sustainable materials such as clay, paper, and natural colors.

Participants were given a set amount of time to create their idols on the spot, using only eco-friendly materials. The judging criteria included creativity, originality, craftsmanship, and adherence to the theme of sustainability.

The top three winners were awarded trophies and certificates, while all participants received a certificate of participation.

Winners of the Competition:

First Prize – Group 4

Second Prize – Group 2

Third Prize – Group 3

The event concluded with a group photo session and a vote of thanks delivered by the Cultural Committee. The competition not only celebrated the artistic talents of students but also reinforced the message of eco-friendly festivities.
